WHAT?

DIGITAL PORFOLIO ON THE PATH TO BREAKEVEN

Hardware
Sovereign by Design

AI requires a strong foundation. We've invested in GPU infrastructure in India, so enterprises get secure, sovereign AI.

Enterprise data resides inside the organization: protected, auditable and compliant with local data residency rules.

Data & Intelligence
The Enterprise Brain

The real advantage comes from enterprise intelligence.

Through Commotion, we build an enterprise-wide context graph that connects data, workflows and business knowledge, so AI agents deliver real business outcomes rather than generic answers.

Code & Action
Intelligence into Outcomes

Intelligence creates value only when it drives action.

With Commotion, we rapidly build applications for omni-channel engagement.

Our strength in communications and interaction gives us a clear edge in turning intelligence into real-world outcomes.

CUSTOMER OUTCOMES DELIVERED

AI Workforce

A large FMCG's field force covering 4M+ outlets, start each day with a personalized, AI-generated brief — delivered as a voice call in local language.

700+ agents live

CX Transformation

A leading insurer serving 37 million customers runs its contact centre on AI workers across sales, claims, and service— with a single contract and a unified SLA.

600K+ voice AI mins / month
